

BIHAN 6.50

Fast, elegant and easy

 **marine
composite**

finot-conq
ARCHITECTES

Bihan 6.50 perfectly embodies the pleasures of an easy-to-use family day boat but can also be used with a crew of two or even single-handed. This rapid and elegant boat can be sailed in perfect safety for a picnic on an island, a short day trip or a friendly regatta and her cabin will accommodate up to four adults for a few nights on board.

Fast

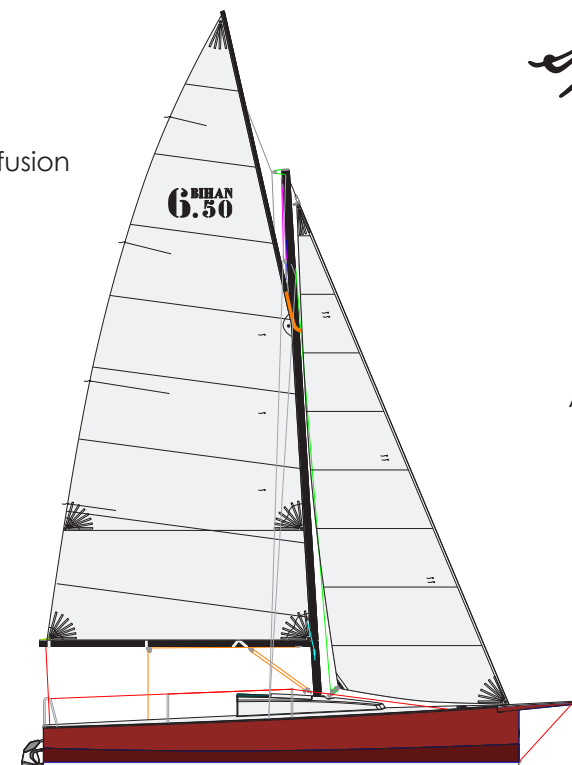

Up-to-the-minute hull shape
Hull and deck in sandwich infusion
Carbon fiber rig
Light displacement
Lead keel bulb

Elegant

Gunter rig
Teak-like deck
Color of your choice
Both classic and modern

Easy

Self-tacking jib
Spinnaker snuffer
Mast stepping by only one person
Keel lifts inside hull entirely
Trailerable
